PROFILE

Hardworking and focused computer science student with strong interest in data science and full stack web development Learning through academic projects online courses and self practice Looking to apply knowledge of programming databases and machine learning to real world problems Always ready to learn and improve skills in the field of technology

SKILL

- Data manipulation
- Data visualization
- Full stack web developer
- learning data science

TECHNOLOGY

Sikit-learn → Machine learning
Tenser-flow → Machine learning
Html and react-js → Frontend web
Data base → Mongoose data base
Node-js → Backend web
Pandas → Data manipulation
Matplotlab → Data visualization
Seaborn → Advance data visualization

ADDRESS

📍 Merki Khel, Tehsil and District Karak, Post Office Dabb Bagu Khel

EXPERIENCES

- Currently gaining practical knowledge through academic projects and personal learning in computer science
- Developed multiple small-scale web applications using HTML CSS JavaScript and Nodejs
- Practicing data analysis using Python libraries such as Pandas and Matplotlib
- Completed online courses and tutorials in full stack web development and data science
- Actively participating in university programming tasks and group assignments to improve collaboration and technical skills

EDUCATION

University

- Name: Khushal Khan Khattak University, Karak (KKKUK)
- Bachelor of Science in Computer Science
- Currently enrolled in seventh semester
- Current semester: 7th

college

- Name: Shaheen Children Academy and College of Science
- F.sc: Pre Medical
- Marks: 893
- Total Marks: 1100

Hobbies

- Snooker
- Carrom board
